

INVENTORY

The Nevada Local Justice Reinvestment Coordinating Council is tasked with identifying programming and treatment needs for individuals involved in the criminal justice system and providing advice and recommendations to the Nevada Sentencing Commission regarding implementation of Assembly Bill No. 236 (2019) at the local level. The NLJRCC will do so by collecting and aggregating data to ensure the advice and recommendations are data-driven. Before data can be collected, we need to assess what data is available and what needs may exist.

Instructions: Please answer each question below. Submit the completed form to Victoria Gonzalez at the Nevada Department of Sentencing Policy by Monday, October 11, 2021.
