

OUTCOMES OF 1ST INVENTORY

Nevada Local Justice Reinvestment Coordinating Council Meeting
March 9, 2022

1st Inventory

September 27, 2021, NLJRCC Meeting

Each member of the Nevada Local Justice Reinvestment Coordinating Council was asked to complete an inventory regarding to assess certain policies and data in each county

INVENTORY

The Nevada Local Justice Reinvestment Coordinating Council is tasked with identifying programming and treatment needs for individuals involved in the criminal justice system and providing advice and recommendations to the Nevada Sentencing Commission regarding implementation of Assembly Bill No. 236 (2019) at the local level. The NLJRCC will do so by collecting and aggregating data to ensure the advice and recommendations are data-driven. Before data can be collected, we need to assess what data is available and what needs may exist.

Instructions: Please answer each question below. Submit the completed form to Victoria Gonzalez at the Nevada Department of Sentencing Policy by Monday, October 11, 2021.

County:

AB 236

What is the general response to AB 236 in your county?

Positive

Negative

Please describe.

JAIL POPULATION DATA

Is jail population data available in your county? (i.e., admissions and releases, total population by month/year, and type of offense)

Yes No

If so, is data available for the last 5 years?

Yes No

Identify the entity or entities that collect data.

Please provide the point of contact, contact information and any additional comments.
