

NDSP and NSC Project to Study Re-entry & Recidivism in Nevada

NEVADA SENTENCING
COMMISSION MEETING

NOVEMBER 4, 2022

Problem We are Trying to Solve

Need for statewide/statutory
definition of recidivism

How do we measure recidivism?

- What data is needed?
- What data is available?

What are the drivers of recidivism?

What are the barriers to successful
reentry?

- What programs, treatment, and services are available?

Proposed Plan

Two-year project

Hear and discuss
presentations from agencies
and stakeholders at each
meeting

Publish 4 reports

June 2023
December 2023
June 2024
December 2024

Develop recommendations
for the 2025 legislative
session

Definition of recidivism
Recommendations for programs,
treatment, and services
Data gaps that need to be addressed
