# AVERAGE TIME ON PAROLE

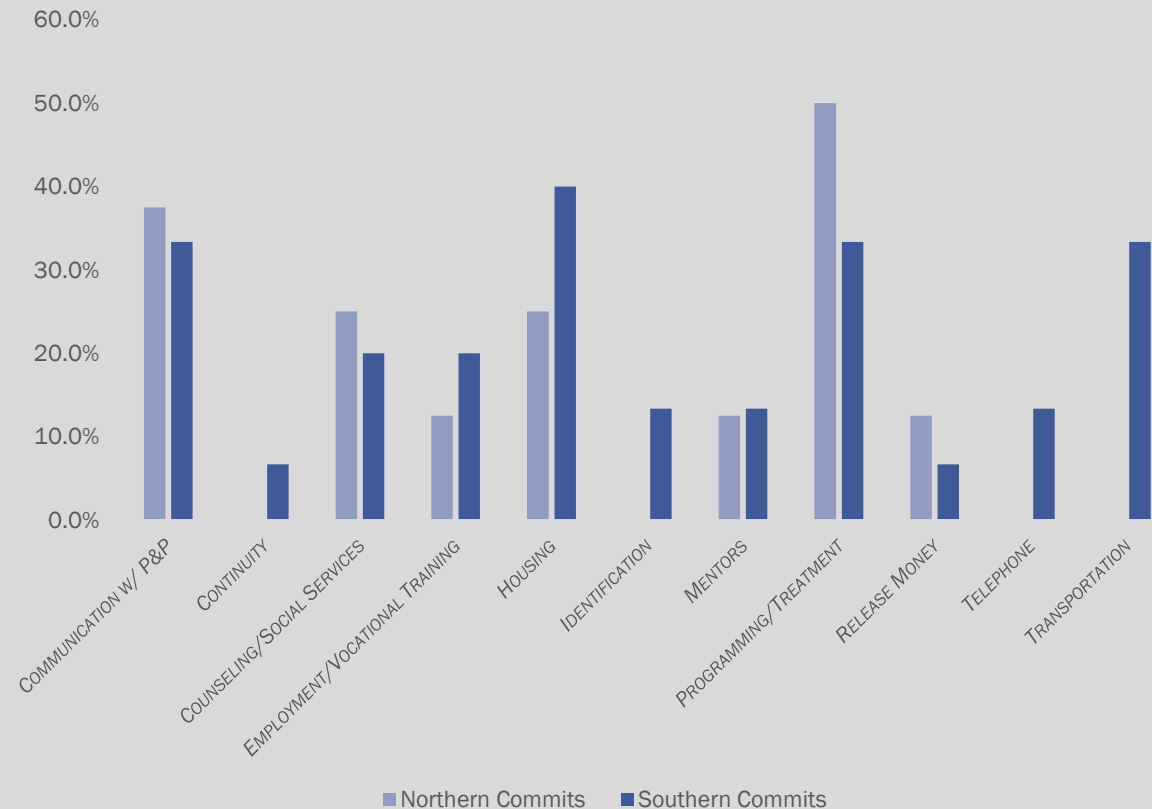

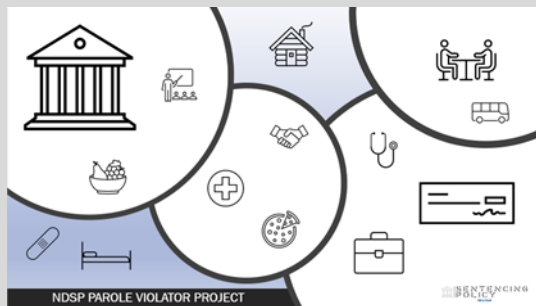

# SUBSTANCE HISTORY

# Resources and Support Needs

*We talked about resources and support earlier—What helped the most? What, if anything, would have made a bigger difference?*

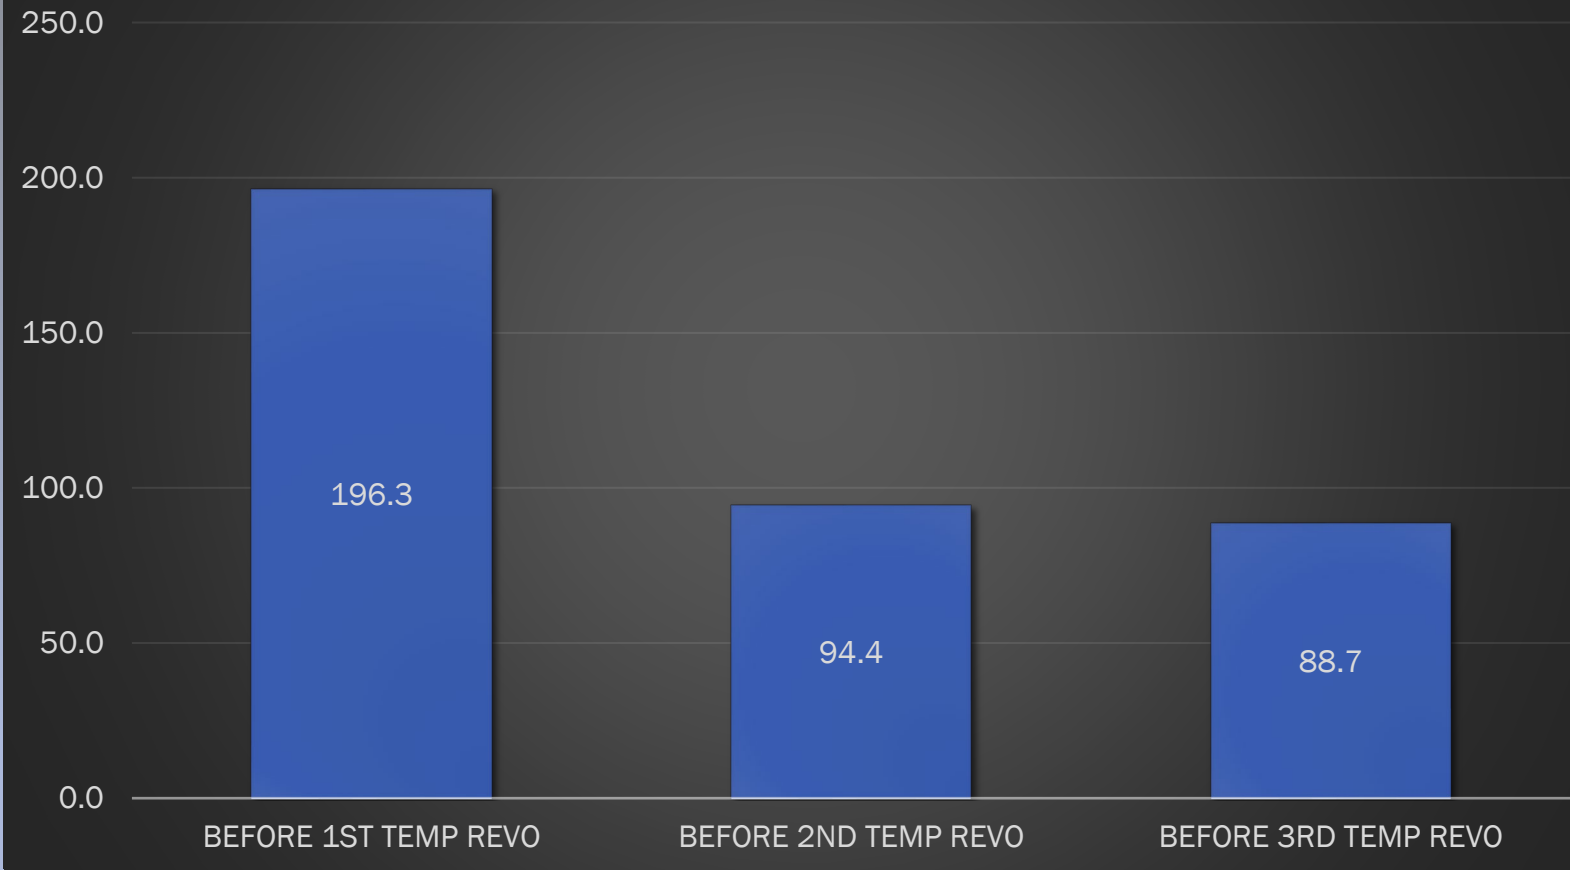

**With the passage of Assembly Bill 236 (2019), NRS 213.142.4.b, the Parole Board may temporarily revoke parole supervision and impose a term of imprisonment for technical violations. This allows up to 30 days for a first temporary revocation, 90 days for the second, and 180 days for the third.**

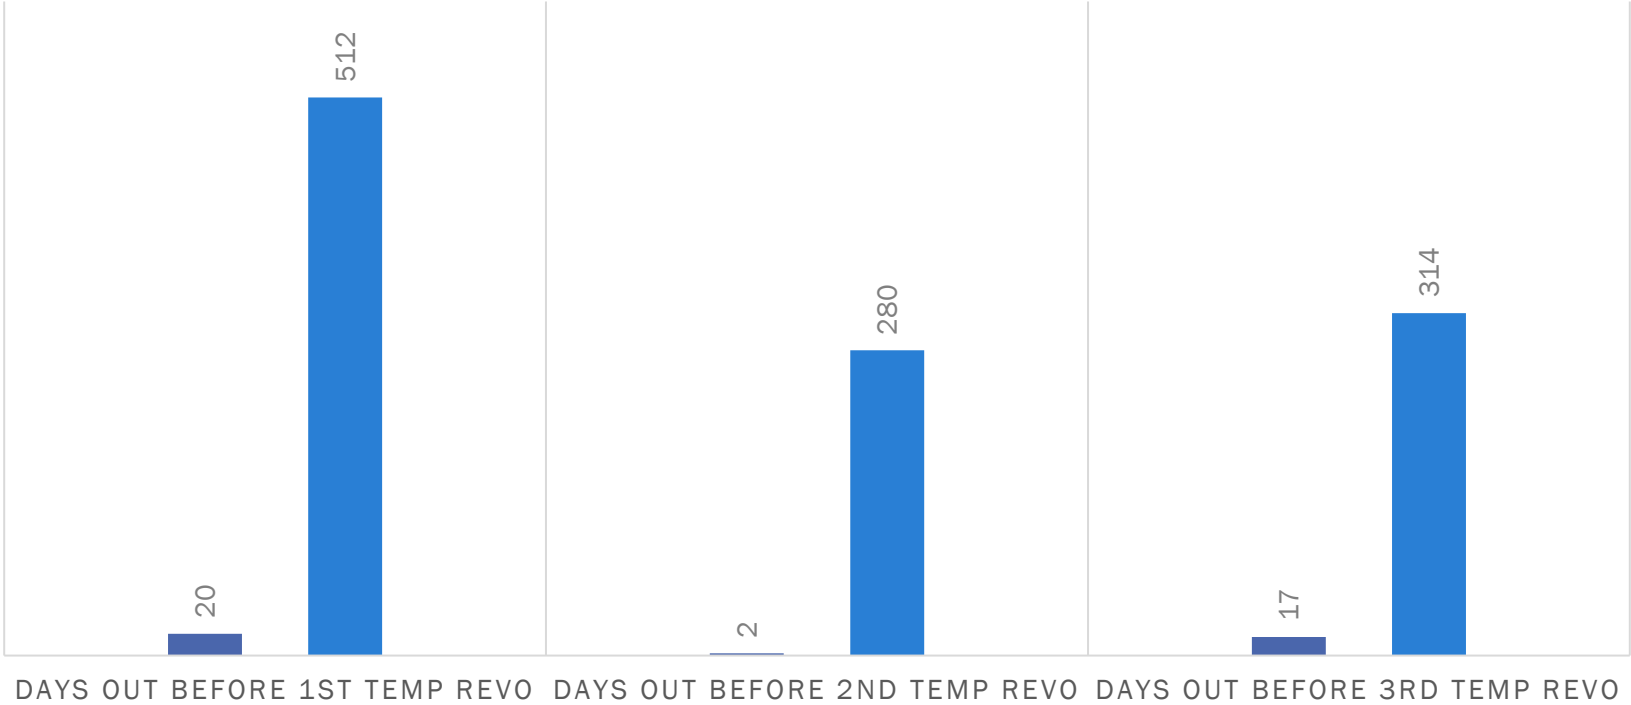

**The data on the following slides is for the 28 offenders who have been temporarily revoked three times between July 2020 and February 2023.**

## AVERAGE DAYS ON SUPERVISION

# LOWEST VS HIGHEST NUMBER OF DAYS ON SUPERVISION

■ LOWEST ■ HIGHEST

On average offenders in this data set spent less time on supervision with each subsequent release.

- 66.4% decrease in time in community from 1<sup>st</sup> supervision period to 2<sup>nd</sup> supervision period
- 41.3% decrease in time in community from 2<sup>nd</sup> supervision period to 3<sup>rd</sup> supervision period
