**COVER LETTER**

I am very interested in the position and believe I am very qualified.

I have worked for NV Adult Parole and Probation, the NV Attorney General Office Criminal Division,, Military Magistrate during Iraq War presiding over criminal cases, Director of Labor Relations for Fed Aviation Admin where I executed on conduct and discipline cases agency wide. Have also instructed in Military and Civilian conduct cases. Worked as a mediator for State of NV and performed case resolution.

I do not have letters of recommendation readily available as I do not apply for employment very often. I am hoping my NV Bar status as well as my years of Honorable Military Service will speak for itself.
